

Way more Fun in 1-2W

On Monday 15th March 2004 we had a race at Mitcham Primary School. I raced with Monique, Hilary and Elise. It was really fun. My mum was there, she got to see me the whole time I was there. It was fun seeing my mum just for a little while but not long because I had to go and sit down with my little car. I liked the race because it was fun.

On Pancake day we made pancakes at school. On my pancake I had jam. It was really, really nice. My mum and Mrs Donelan helped.
