

5-6 B @ Camp Beechworth

The Beechworth camp for 2004 was the best camp ever. We went panning and saw the Blacksmith. I enjoyed it a lot. **DAVOUD**

We went to MB Cellars and we got to try the cordial. It was called "Red Ned". It was yummy. **RUBY**

Trudging along, steaming, with sweat glimmering on my face. We made our way to Paradise, took a wrong turn, turned around and slumped what felt like 50 kilometres to the POOL. **MATTHEW**

The hot summer day was barely bearable as we walked to the pool for a refreshing swim. **PHILIPPA**

My favourite place at camp was MB Cellars because they had the best soft drink you will ever taste in your life. **JACK M.**

At the Beechworth courthouse I got to be judge and wear a wig and red robe. It was so funny and exciting mixed together. It made me feel happy. **TRENT**

I had a fantastic time at the disco. I also loved Woolshed falls. **JASON.**

At MB cellars I bought a bottle of cordial. The best thing was the disco. **JACK G**

Camp was really fun. One of my favourite times was the disco. Luckily no-one had epilepsy with the flashing lights! I had fun watching everyone dance. **ROBIN**

My highlights on camp were going to the pool and the concert. It was the best camp of my life. **CHRIS**

Thursday, Disco night: it was the best. Everybody was dancing. It was cool. **JOEY**

Some people just shone when they performed on stage at the concert. I discovered a lot of talent that people had locked up inside them. You should have been there! it was a night not to be forgotten. **JESSICA**

The gold panning was great because we got to feel how hard it was on the goldfields. **ELENA**

The Old Priory was great. My favourite parts were the concert and the disco. I liked the disco because Mrs Bowden and Ms Jenkins were dancing too. **STELLA**

My highlight on camp was the concert night. Stella and I did a play. It was really good that everyone liked it. We were proud of ourselves. **ASHLEIGH**

When the cordial at MB cellars hit my mouth it felt like there was a party in it. **LUCY**

We went gold panning and it was tricky. I found one piece of gold and felt great, except my feet were sore. **HEATHER**

I really enjoyed when we first got to camp because we were all looking so alive! After about two days it was, "Do we have to?" because we were all so tired. **KELLY**

I loved the wonderful places we went to at lunch. From the small river, to just in the field watching the fat dog waddle around. **KATE**

The sweet shop was mouth watering. **TALAN**

The best part about camp was going to the sweetshop. It was like sweets heaven. **JAYDEN**

Mrs. Dolman did fantastic stuff with us. I enjoyed machine knitting and pictographs the best. **AZIZAH**

WOW! What a day! We did no work! We only knitted with a machine and my fingers were sore. **KIM QUI**

Mrs Dolman taught us how to knit. **DANNY**

I enjoyed doing machine knitting with Mrs Dolman when the others went on camp. **JUDY**

Mrs. Dolman! Alright! Camp would have been fun, but having Mrs Dolman is better. Having her just lights up my day. **YOSHE**
