

## Comments from 5-6 J Campers

EBONY - I'll never forget that the clock tower had only three faces. There was no face on the side facing the prison so that the prisoners could not tell the time and make plans to escape.

JENNA - I learnt that Beechworth has a lot of history behind it.

JAMES - I thought learning about the Windsor Hotel was great because I learnt that the government built it. I loved learning about Beechworth and its history, especially the museum.

LAJOS - I learnt bush dancing and disco dancing.

AMY - The lolly shop amazed me. It had three rooms. There was also the Sweet Co. shop, which sold Ned Kelly Cordial.

LINCOLN - I really like the Black smithing demonstration because it was really exciting seeing all the sparks.

MANISH - I learnt lots of things that I didn't know like the life story of Ned Kelly and his family.

SCOTT - On camp I learnt that amethyst and lots of other minerals are found in Beechworth. An old lady called Goldie taught me this when she was showing us all of her crystals and minerals.

STEFAN - The guns in the [Burke Museum](#) were very interesting and they were all coloured black.

NATALIE - I had the best disco ever. Even the teachers started dancing.

RHIANNON - I think the most interesting thing was when I was told that they put a lion on the coat of arms on the banks so that the Chinese would think that their gold was safe in the bank,

SELINA - We had a disco on Thursday night. I thought it was the highlight of the camp. It was held in the Rec Room and we had a DJ called Jessica.

KIM - Visiting Beechworth was a very good experience for me. Beechworth has a very interesting history.

TYLER - Camp was good because I learnt that there are a lot of historical sites in Beechworth.

ANNALIESE - Lots of people competed in a talent show on the second last night of camp. There were some jokes, skits, comedy and dances. Some people got awards for particular categories. Jess and I were awarded a certificate for 'best singers'.

JESS - On Thurs night we had a disco and it was fantastic. There were coloured lights and a girl call Jess did the DJ-ing.

KARISTA - On the 2<sup>nd</sup> last night of camp we had a disco. Not many people were dancing at first but then everyone joined in. My favourite song was 'Predictable' and everyone loved it and danced to it.
