

1-2W

On Friday 11th June we went to the Melbourne Zoo. We saw lots of animals. One of the animals was a lion. We had a lesson. We got to touch a cheetah's skin, a python, a lizard and even a dead bandicoot! After the lesson we walked up the path, washed our hands and ate play lunch. We had play lunch at 10.45am. It was very fun!!

Calvin

When we went to the zoo I sat next to Penny on the bus. We saw a squirrel monkey and I fed it worms. I put my hand near the cage and it took the worm out of my hand. We had lunch and after that we watched the butterflies flying around. There were big ones and small ones, then we saw the elephants. There were only two elephants and one of them had tusks, then we went back to the bus.

Rachael

We went to the zoo by bus. My group was Richard, Timothy, Monique and Madelaine. My favourite zoo animals were the lions, tigers and hyenas. The elephants were the biggest, the giraffes were the tallest. The hyenas were sleeping. We saw a hippopotamus that was trying to be camouflaged. We saw a squirrel monkey and I got to feed it.

Kenny

1-2L

Numbats live in the outback.
Usually Numbats sleep during day.
Mini Numbats are cute!
Brown Numbats like cracks in rocks.
A Numbat is brown, black, and white
Termites are yummy for Numbats.

Ashley

Spook was its name
Lovely animals
Our class saw the Slow Loris
Wow! That's amazing!

Lives in South East Asia
Often comes out at night
Really nice
Interesting animals
Seen at night

Jessica

I went close to the lion because it was drinking from a dish near the wire fence. It was a big lion with a long fluffy brown tail.

Mathew I

Meer cats were cute when I visited them.
Elephants have their own trail so we can feel them
Lemurs swing from tree to tree.
Bush turkeys are small and fun to watch.
Otters squeak all day long.
Ulysses Butterflies might be hiding somewhere!
Red Pandas are hard to find.
Necks of giraffes can reach the tops of the trees
Education Centre is fun.

Zebras are kept safe, happy and healthy.
Ostriches are sometimes mistaken for emus.
Oh, what a great place to visit! Rebecca R
