

3-4P 3-4C SOVEREIGN HILL CAMP

The experience of going back in time was fabulous. I felt like we were in the 1850s even though we weren't. It was fun, exciting and I learnt a lot from it. The 1850s day was the best thing this term.

Joseph I

Sovereign Hill camp was so much fun. We went ninepin bowling and watched a demonstration at the lolly shop. I liked it when we went to the New York Bakery. The sound and light show was fabulous and exciting. We had the opportunity to go to an olden day school and I dressed up as a father in the 1850s.

James

I had to dress up like a mother in the olden days. I looked really funny! I learnt a heap of things. I didn't know anything at all about the Eureka Stockade, I didn't even know what it was, but now I know heaps about it. The lolly shop and ninepin bowling were the favourite attractions. I liked the soldiers marching at 1:30 pm and the horse and carriage rides. It was so much fun!

Tessa

This term has been really fun, especially the camp. We got to dress up in old-fashioned clothes, and we learned how to write Copperplate writing. My favourite thing was gold panning. I found a tiny speck, but I lost it. I learnt that it was different living in the olden days!

Grace

I have had a zip-zam-fabulous term! I learnt that gold was first discovered at Sovereign Hill in August 1851 and I learnt more about the Eureka stockade. I liked the gold museum because there were two presentations from two different points of view. The Europeans loved the gold rush, but the Aborigines hated it because the Europeans were destroying their homeland, eroding it and taking over.

Leo

I liked doing Copper Plate handwriting because it looks fancy. I've learnt that life in the 1850s is not the same as nowadays. Schools have changed because now we have better play equipment; we use grey lead instead of slate and ink. Also we have school uniforms instead of old-fashioned clothes.

Benedict Loh

In Term 2 we had an 1850s day. We had to dress up as they did in the 1850s. I had a blue dress with white butterflies and a white collar with a blue line through it. I didn't like the dress. But it was old-fashioned. I enjoyed having to dress up. Thankyou Mrs Brewer, Mrs Corr and Mrs Phillips for organising it.
