Ms Waymouth

What am I?

I am something you have to be quiet in and you can watch movies.

I am the cinema.

~ By Richard

My favourite form or entertainment is roller skating, a circus and dancing. I like dancing because it's fun and I also go dancing. I like roller-skating because I can do tricks. I like the circus because it's sometimes funny.

What am I?

I have a ball on my ceiling. There are flashing lights everywhere and people dance in me.

I am a disco.

All the 1/2 classes made musical instruments for Show and Tell. I made a guitar with my mum. I made it by getting a box and cutting the shape, rubber bands for the strings and split pins to hold everything in place. I made it also with a ruler. I made my instrument on Saturday. I had fun making my musical instrument!

Our class made musical instruments at home. I made maracas by myself. I used rice and bottles to make my maracas.
