

# Term 4 Revisited

# Yr 5

I was surprised when the teacher picked me from the class for the Science Enrichment Workshops over at Mullauna. It is a great achievement for me to be able to have the opportunity to have a chance to be a part of it. ~ Krisnar

Cool! All the Grade 5's went to Mullauna for the Arts Festival. First we got put into our groups and then we found out what we were going to do. The group I was in did Graphics, Art and Drama. My favourite thing was art. It was an awesome day. ~ Ebony

This term has been so jam-packed with extremely exciting excursions but my favourite thing was our 'Around the World' project. I did Hong Kong and I reckon I put a lot of effort into it. We all did a good job. Most of us were happy with our scores and most of us got our projects in on time. It was so fun that I couldn't stop working on it! I wanted to finish mine in my holidays but I couldn't rush it. ~ Leasha.

We have been doing swimming for the last two weeks it has been a lot of fun. I've learnt a lot and now I know how to do all my survival strokes.

~ Brodie

This term I really liked the Mullauna College Arts Festival. There were really interesting pieces of art. I also liked the *GameGirl* production.

~ George

*GameGirl* told a story about a girl, her life and a game that she has. In the game she has to go through all these levels and do the things to complete the levels. In the end she completes all the levels and finishes the game. ~ Zaky

This term has been jam-packed with extremely exciting and wonderful activities, but the best thing overall was presenting our country projects. The country that I chose was Denmark and I really enjoyed researching information about it. The best thing about the whole poster was when I finished it, because I felt so proud of what I'd achieved!

~ Jenna

In term 4 I liked *GameGirl*. It was fun and a bit sad. It was the best thing in Term 4. ~ Lajos

Smoke in the theatre, sitting down in my seat, the lights dimmed. Screens came on. My heart was beating too fast to know what to expect. "Happy Birthday to you!" The actors sang. The story was about a girl who gets a *GameGirl* for her birthday.

~ Annaliese

It was a great experience when the four grades went to see a play called *GameGirl*. It was about a game that was magic and you can't stop until you finish the game and I really liked it.

~ Rhiannon

My favourite thing this term was *GameGirl*. We got there by train from Mitcham station to Flinders St Station. Before we went to the play we did a lot of walking. Kate read me a bit of *Harry Potter 2*. I LOVED IT. The play was great. Every one loved it.

~ Justin

WOW! This year has gone so fast and I'm on my way to year 6. This year has been the best year in my school years. Having Mrs. Bowden as my teacher is FANTASTIC! Mrs. Bowden has taught me a lot this year and I have improved a lot on my maths. Thanks a lot to Mrs Bowden for being the best teacher this year and thank you Mrs. Ballard for giving a great helping hand. Whoever has Mrs. Bowden next year, I am sure you will have an enjoyable year! (I hope I do!)

~ Judy

This year has been a great year. My favourite thing that I have done was going to Beechworth for five days. The two grades had gone swimming, walking and mining for gold. Everybody had a really good time. It was my favourite highlight for the year! ~ Elena.

This year, well what can I say? How about this, it has been fun and my highlight would have to be *Gamegirl*. I will never forget that. We have had good and bad times, but to all my year 6 friends, good luck and good-bye.

~ Yoshe

Bully busters were fun, the presenters were great, they made the stories funny, but it isn't, because they tell true stories.
