

COMMUNICATION ~ 2-3 B

Miming is a way to send messages
Every day messages are sent
Smoke signals were sent by Indians
Send messages to other countries
Announcements are made at school
Go all around the world
Everywhere you can send messages
Sign language is used by deaf people

~ Aaron

Talking on the telephone
A person can talk in lots of ways
Languages can be learnt
Kind words make you feel nice
Internet talking
Nagging
Gigging

~ Penny

Mysterious
Around the world you can go!
Pirates use them
Sometimes you find treasure.

~ Kimberley

Words are important
Recounts tell what we've done
Interesting
Tell a story
Exciting

~ Mitchell

Flags are used to communicate
Look at them waving in the air
All countries have them
Grand Prix flags send messages
Signals or symbols

~ Emine

Letters are fun to write
Exciting to get one
Telling people what you've been doing
Telling people how you feel
E-mailing
Receiving a letter
Sending a message

~ Madelaine

Messages
Overseas friends can talk to you
Books could tell you more about them
In most countries people have them
Lots of people use them
Electronic

Phone books are not needed
Hands-free mobiles are used in cars
Olde days people didn't have them
Numbers are used to call people you know
Expensive

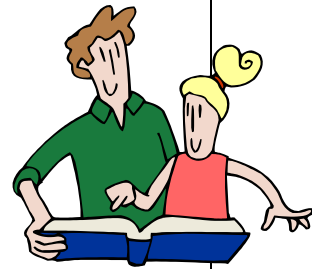

~ Erika

Teachers talk
All people talk
Lots of words
Kind words are good

~ Stefanie

News, news, news
Every day they are made
What is in them?
Sports pages
Pages and pages
All newspapers have pictures
Photographs and TV programs
Each day they are read
Recycle them

~ Kim

Talk using sign language
A person uses his mouth
Learning how to talk
Keep people interested
I like to talk
Nagging isn't nice, nor is
Growling, grizzling or grumping

~ Christine
